

# OFFICIAL DRIVING CONTRACT

---

An official agreement between a Young Driver and Parent/Guardian on the use of a family car.

I; \_\_\_\_\_  
being a licensed driver, do hereby agree with my parent/guardian,

\_\_\_\_\_

as follows:

**That if I am permitted to drive an automobile which is registered in my parent's name, I promise:**

1. I will drive carefully and cautiously, at all times.
2. I will not drink or use any type of drugs and drive.
3. I will not allow the car to be driven by anyone other than myself.
4. Knowing that the car is a machine with the power to kill or injure, I will not show-off with it.
5. I will not drive in excess of the posted speed limit.
6. I will slow down and look both ways at intersections and railroad crossings even if I have the right-of-way.
7. I will not race with other vehicles regardless of how much of a temptation it might be to do so.
8. I will not attempt to drive if I feel sleepy or in any way impaired.
9. I will obey all signs, street and highway markings, signal lights, and other traffic regulations.
10. I will limit the number of friends in the vehicle.

I realize that if I violate these conditions, and a collision occurs through my carelessness or negligence, the cost of insurance coverage on the car could increase substantially...or the insurance company might be required to amend my parent's policy to remove me and that I would no longer be able to drive the car.
